

Dear Member,

Thank you for partnering with Vision Walking. We are focusing on praying for God to guide us in His will as we strive to walk in purpose. Psalms 139:13-16 says...

'For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place. When I was woven together in the depths of the earth, your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be'

We believe that God has anointed every individual to complete an assignment on the earth. The Vision Walking series is designed to help people define their unique gifts and detail how those gifts aid in knowing and walking in purpose.

We remind you to click on the membership monthly prayer prayed by Pastor Deo, our Uganda connection, and "man of peace." When God wants to bless a nation, He always has someone in position to accomplish His will. We also give you an update on what is taking place in Uganda, through your support, monthly.

Thank you for being a blessing to so many! May God continue to guide you in your walk. Help others see the talents, and unique gifts that you've been given to make the world a better place. Continue to change the way you think and speak and God will show you the plans He has for you and you will find your purpose.
